Riding Lessons

Our lessons program is a fun, yet challenging experience for all ages and experience levels. We are able to offer a variety of programs catering to every level of rider. We will help you feel comfortable and confident from your first lesson to the show ring.

Our programs are carefully geared toward the specific goal of each student. If you wish to learn to ride well enough to conquer the trails or long to compete in horse shows, we can help you make your dreams come true.

Lesson Packages

Beginner Level I (ages 7 to adult)

This class is for people with little or no experience around or on horses. **The first 6 sessions will be a ½ hour lesson one on one with your trainer.** Our focus during these beginning sessions will be on safety, the riding of these beautiful animals, and how horses think and react to situations. We always put safety first for you and your lesson horse. **The final 6 weeks will be 1 hour group lessons with riders that have the same level and abilities.**

Beginner Level II (ages 7 to adult)

This class was created for those students with limited riding experience, or graduates of level I. Each session will be an hour group lesson.
